About Servosys

Servosys is a trusted software partner for leading banks and financial institutions, delivering solutions in Business Process Management (BPM) and Enterprise Document Management (EDMS). Our expertise spans across Loan Origination—covering retail, MSME, housing finance, and corporate lending—as well as seamless customer onboarding for CASA, credit cards, and more. We also enable compliance with RBI guidelines through Aadhaar Masking, Online Dispute Resolution, Customer Service Request Management, and Early Warning Systems.

Our strong focus on quality, security, and reliability is backed by global certifications including **CMMI Level 3**, **ISO 9001**, **ISO 27001**, **ISO 27000**, **and ISO 22301**—reflecting our commitment to delivering secure, scalable, and future-ready solutions.
